

**Investing in
our
schools
and
community**

Thank You! Together we've made an incredible impact on our schools.

Dear MPAEF Community,

This year has been one of the most challenging for our community in recent history. The COVID pandemic has changed the way we live and has impacted our children's lives as well. Together, and thanks to the amazing efforts of our district leaders and teachers, we quickly adapted to distance learning. Our community has remained connected and strong! And thanks to the amazing generosity of our district families and community donors we were able to achieve tremendous fundraising success. Please help us celebrate all that you have contributed.

“One Community” Campaign

The 2019-2020 academic year was also unprecedented in that this was the first year that MPAEF combined forces with our four PTOs to embark on our first-ever truly 'joint' campaign, the One Community Campaign (OCC). Foundation leadership partnered hand-in-hand with our PTO presidents to plan and execute a seamless campaign that generated revenue for our district and for all of our individual schools in one, parallel effort. The results were astounding! The OCC generated \$4.3M overall, with \$642,000 going to our individual PTOs and \$3.66M being raised toward the district grant. We also welcomed 151 new family donors who helped increase our overall participation from 66% to 73%!

This year, MPAEF granted \$3.85M to the Menlo Park School District in support of our four schools. This is an amazing accomplishment given the cancellation of our only fundraising events—the annual Auction and the Schoolhouse Rocks Run—neither of which could be held due to COVID 19. Nevertheless, our amazing community still got behind these events, donating the costs of tickets and donated items in support of our schools. This included raising \$16,500 for this year's Fund-A-Need, which will support Visual and Performing Arts programs in the coming school year. It was amazing to see our families step up and support their community through this difficult time.

MPAEF was also proud to have a role in supporting MPCSD Helps, an initiative to provide food support to families through the spring and summer of 2020. MPAEF received and disbursed almost \$80,000 from the community to MPCSD. We were so happy to repurpose our administrative staff and tools to enable the facilitation of donations to district families in need of help during the pandemic.

Finally, for the second year in a row, MPAEF has approved a roll-off of \$150,000 from the Endowment Excellence in Teaching. MPCSD is currently planning professional development for the 2020-2021 school year which will focus on the topics of anti-racism and distance learning and will reach all 265 teachers, district wide.

Your participation in the One Community Campaign as well as contributions toward the auction, the endowment, Fund A Need, and other events will enable MPCSD to continue with critical programs at Encinal, Laurel, Oak Knoll, and Hillview schools, including:

- Funding 27 additional teachers that allow for smaller class sizes and enriched specialist programs;
- Long-term investment in hiring high quality teachers and supporting them with professional development to ensure the best learning experience possible for students;
- Leveraging existing investments in technology and infrastructure such as Dreambox, Lexia, Altitude, Google Classroom, and many more to quickly transition to at-home learning;
- Supporting hundreds of district families with learning tools—including internet access and computers—for EVERY student in need;
- A mental health safety net including 10 counselors across all schools, which will be particularly critical as students return to the classroom.

A special thank you to: the entire One Community Campaign team, the 54 MPAEF board members, the 10 members of the Endowment Investment Committee, and the four members of the MPAEF office staff.

We are so thrilled to be part of this amazing community and group of proud parents, business leaders, and community members who believe that our kids deserve a high standard of education and one of the best school experiences possible. As co-presidents of the Menlo Park-Atherton Education Foundation and on behalf of our amazing kids, we want to thank you for all your support, time, and hard work.

Sincerely,

Sarah Thayer

MESSAGE FROM SUPERINTENDENT BURMEISTER

Dear MPAEF Supporters,

I've never wished more sincerely to thank the MPAEF and its supporters than this year. 2019-20 was like no other, and while it will forever be remembered for its unrelenting unpredictability, it was also notable for the incredible dose of stability infused by YOU, the generous parents, grandparents, business partners, neighbors, and community members who supported MPAEF throughout the year. It is in times of great stress that systems, like our public schools, can continue to thrive because of the solid principles and relationships upon which they are built. The Menlo Park City School District is certainly fortunate in that area. Years of aspirational vision, positive collaboration, and lots of hard work and investment by MPAEF have helped make MPCSD the special place that it is.

As we "close the books" on the 2019-20 school year, I would like to acknowledge each and every one of you who donated towards the crucial grant we received from MPAEF in June. Thanks to the many decades of MPAEF's support, we have the excellent teachers, technology and infrastructure, smaller class sizes, wellness team, and teacher professional development needed to help our students succeed no matter what education looks like in the moment. Someday the pandemic will be over, and until then we will get through this trying time, together, and our children will witness how a strong, principled community responds in times of hardship.

MPAEF ENDOWMENT FOR EXCELLENCE IN TEACHING

Overview:

The Menlo Park-Atherton Education Foundation's Endowment for Excellence in Teaching was established in 2002 as a permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development.

Endowment donations are a gift that keeps on giving! As the Endowment grows, it becomes a stable source of long-term funding for the Foundation, easing annual financial pressures. This allows MPAEF to meet the needs of future generations for years to come, supporting our strong and vibrant community-funded schools.

The Endowment Investment Committee manages the investment asset portfolio with the pro-bono support of Cambridge Associates, a leading endowment investment management advisory organization. The committee members are current and former MPCSD parents, as are the representatives of Cambridge Associates serving the Endowment.

Total Assets:

\$4,720,871 as of June 30, 2020.

Contributions:

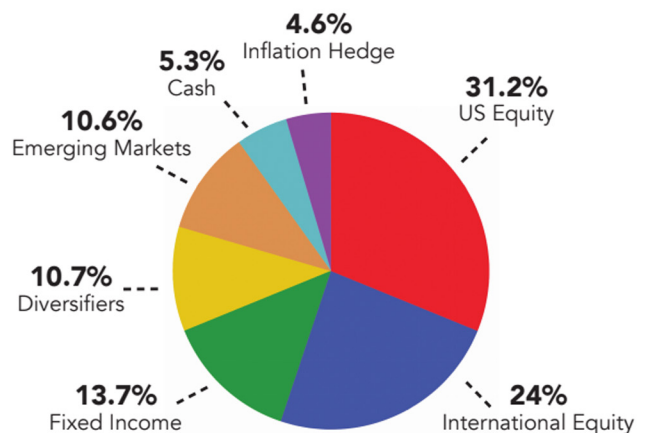

Between July 1, 2019 – June 30, 2020, the Foundation's Board of Directors raised contributions for the Endowment from parents and community members totaling \$36,429 (a 124% increase from 2018-2019).

Performance:

For FY2020 ending June 30, the Endowment Portfolio generated a return of 5.3%. This brought the annualized return since inception (in 2003) to 7%.

Portfolio:

Since the primary management goal of the Endowment is to provide a stream of spending in support of MPAEF's mission, the long-term investment objectives are to preserve and enhance its purchasing power to attain a total return at least equal to the amount of any roll-off for the MPAEF's annual grant. Asset allocation is selected to minimize the risk of not meeting those objectives. The graph below shows our most current asset allocation.

Supporting Teacher Professional Development During the 2020-2021 School Year:

At the conclusion of the 2019-2020 school year, upon the request of Superintendent Erik Burmeister, the MPAEF Board of Directors approved a roll-off of \$150,000 from the Endowment which was granted to the Menlo Park City School District to fund teacher professional development activities during the 2020-2021 school year. These funds will be utilized to provide all 265 teachers with professional development, training and additional collaboration time with colleagues, specifically focused on distance learning and anti-racism, throughout the school year.

Endowment Tribute Gifts

Did you know that a family's donation to the endowment can be made in honor of a teacher or staff member who made a difference in their student's life? Teachers have shared with us how meaningful it is for them to be honored in this way. Hillview Teacher, Lynn Eisner, received a tribute gift and shared with us her thoughts: "Receiving a tribute gift for the district endowment is definitely a special way for me to be recognized as a teacher. I love that families are able to show their appreciation by supporting what I care about most - kids! And, how awesome that donations in my honor will continue to serve students long after I retire."

2019 - 2020 BUSINESS & REALTOR PARTNERS

The local business & realtor community is critical to achieving our annual fundraising goals for the 2019-2020 school year. Please join us in thanking all of our local business partners who understand that a strong community begins with strong schools!

“At the end of the day, the most overwhelming key to our children’s success is the positive involvement of their teachers and staff members of the Menlo Park School District. This point has become more of an importance during the global pandemic of COVID-19 and the need for distance learning and virtual academies. Our local teachers are incredibly engaged, as they have the resources to utilize their freedoms and creativity given the amount of resources our community can provide through the One Community Campaign (OCC). I trust that our gift to the OCC ensures the most dedicated teachers with whom are nimble, sharp, and exceptional educators have access to a curriculum (virtual or in person) teaching our K-8th graders.” Krista Rosa, MPAEF Board Member & Laurel Parent

“Because of the MPAEF and the incredible parent community, MPCSD provides our children with an overall educational experience that rivals any private education. We are so lucky that we live in a community that understands the importance of the MPAEF and values how instrumental the Foundation is for providing world-class teachers, art, science and technology programs, and enrichment activities that enhance the educational experience for all of our children. But most importantly, the MPAEF allows our district to have the best and brightest teachers and enables them to do what they do best, teach!” Janelle McCombs, Hillview Parent

“Teachers need time together to develop expertise, collaborate, and reflect on instruction. When our teachers receive that time together, they consistently comment on how much it re-energizes and inspires them, so that they return to the classroom with renewed focus and commitment. MPAEF plays a vital role in providing funding so that our teachers can learn, collaborate, and grow together.” Theresa Fox, MPCSD Coordinator of Technology & Innovation

“Teaching is guiding students to learning. Having the Jeanie Ritchie Grant Program to support innovation and create new experiences that motivate students along that path is a blessing. I don’t feel constrained in how I lead students to those new experiences because the grant program exists.” Russ Petersen, Hillview Physical Literacy & Education Teacher

"MPAEF plays a vital role in providing funding so that our teachers can learn, collaborate, and grow together."

Theresa Fox, Principal, Virtual Academy

"With these (MPAEF) funds, we are able to provide our teachers with effective professional development opportunities that not only benefit our teachers but ultimately, our students."

Jammie Behrendt,
MPCSD Asst. Superintendent

"Most importantly, the MPAEF allows our district to have the best and brightest teachers and enables them to do what they do best, teach!"

Janelle McCombs, Hillview Parent

2019 - 2020 IN-KIND DONORS

In-kind donations received by the Menlo Park-Atherton Education Foundation throughout the year are critical in keeping our organization's expenses to a minimum. These donations include use of space for meetings and events, items featured in the auction, wine served at Foundation functions, and so much more!

During the 2019-2020 school year, generous local businesses donated hundreds of items to the Foundation. Combined, these items had a fair market value of \$162,900.60. Without these donations, MPAEF would not be able to meet our grant goal. Please join us in thanking our in-kind donors!
