## Together we successfully supported our schools during a challenging year!

Dear MPAEF Community,

The 2020-2021 school year faced many challenges. The COVID pandemic forced us to change how we educate our children overnight. Together, and thanks to the amazing efforts of our district leaders and teachers, we were able to return to school safely and created a Virtual Academy for those who wanted to continue with distant learning. Our community has remained connected and strong! And thanks to the amazing generosity of our district families and community donors we were able to achieve tremendous fundraising success. Please help us celebrate all that you have contributed.

One Community Campaign (OCC) continued to be a success for the second year in a row. Foundation leadership partnered hand-in-hand with our PTO colleagues to plan and execute a seamless campaign that generated revenue for our district and for all of our individual schools in one, parallel effort. The results were astounding, especially in this unique fundraising climate of COVID, with 65% of district families participating. The OCC generated \$4.03M overall, with over \$585,000 going to our individual PTOs and \$3.5M being raised toward the district grant.

Our Auction, Schoolhouse Rocks Run, Community and Business teams had to think outside the box and pivot their events to be virtual. Our amazing community rallied and adapted well to a new style of events. This included raising \$94,480 for this year's Fund-A-Need, which will support our mental health programs in all four schools in the coming school year and a very successful 'Run Around the World' (virtually, of course!).

MPAEF was also proud to have a role in supporting MPCSD Helps, an initiative to provide food support to families starting Spring 2020 and lasting through early Summer 2021. MPAEF received and disbursed over \$138,000 from the community to MPCSD Helps. We were so happy to repurpose our administrative staff and tools to facilitate donations to district families in need of help during the pandemic.

Finally, for the third year in a row, MPAEF has approved a roll-off of \$150,000 from the Endowment Excellence in Teaching. MPCSD is currently planning professional development for the 2021-2022 school year which will focus on the topics of social emotional learning, anti-racism, diversity and inclusion and will reach 300 teachers and staff, district wide.

In total, MPAEF granted \$3.7M to the Menlo Park School District in support of our four schools!

Your participation in the One Community Campaign as well as contributions toward the auction, the endowment, Fund A Need, and other events will enable MPCSD to continue with critical programs at Encinal, Laurel, Oak Knoll, and Hillview schools.

A special thank you to: the entire One Community Campaign team, the 42 MPAEF board members, the 10 members of the Endowment Investment Committee, the 13 members of the Jeanie Ritchie Grant Committee and the four members of the MPAEF office staff.

We are so thrilled to be part of this amazing community and group of proud parents, business leaders, and community members who believe that our kids deserve a high standard of education and one of the best school experiences possible. As co-presidents of the Menlo Park-Atherton Education Foundation and on behalf of our amazing kids, we want to thank you for all your support, time, and hard work.

Sincerely,

Sarah Thayer and Paige Arata  
MPAEF Co-Presidents 2020-2021

# Thank You!

Together, we accomplished something truly special.

Dear MPCSD Community,

It's a wrap on the most extraordinary, unprecedented, challenging year any of us have experienced. I find my heart and mind filled not with exhaustion and disbelief, but rather with pride and gratitude. What we have accomplished here in MPCSD this year is nothing short of amazing, and it took each one of us - parents, teachers, staff, School Board members, volunteers, community members, and our students - doing our part to keep our beloved schools open, safe, and thriving. TOGETHER, we accomplished something truly special.

Every year I am more humbled and honored by the support that the MPAEF and its donors, volunteers, and leadership offer to our schools: Encinal, Laurel, Oak Knoll, and Hillview. But we all know this year was something different. Going in, we had reduced our expectation of the MPAEF grant, knowing that the unpredictable economic climate could have drastically cut fundraising. But in true Menlo Park/Atherton form, you - parents, neighbors, friends, businesses - came through for us. You gave of your time and resources so our schools could continue doing what they do best: providing each and every MPCSD student with a rich and rewarding educational experience.

In short, I am astounded and deeply grateful for the MPAEF's generous fundraising over the 2020-21 year. When we asked, you delivered, and with your support we were able to:

- Be the first Bay Area district open in person, and stay open with no on-campus COVID transmission all year long
- Offer a high quality remote option in the MPCSD-designed and staffed Virtual Academy
- Focus on core academics and mental health and wellness to give our kids a successful year
- Stay on track with our academic goals across grade levels
- Foster even greater sense of belonging than during "regular" years among children and their cohorts, teachers, yard duty aides, and individual support team members
- Provide meaningful "field trip" experiences and community-building events, whether virtually or modified on campus
- Offer childcare so working families had an accessible on-campus option during the hybrid model
- Support our struggling families with groceries, household and baby items, clothing, books and toys and more through MPCSD Helps

The above list would be impressive in any year, but to pull that off during a global pandemic is the essence of what community means. Once we've all had a little time to decompress, process, reflect and rejuvenate, I have a feeling we might even look back on this past year as one of our most successful. And we have your steadfast generosity to thank for that.

With gratitude,

Erik Burmeister  
MPCSD Parent and Superintendent

Working with parents, local businesses, and community members, the MPAEF enables the Menlo Park City School District to provide an exceptional education for all students at Laurel, Encinal, Oak Knoll, and Hillview schools.

# MPCSD Helps

## Working Together to Support the Community During Covid

From March 2020 through June 2021, MPCSD in partnership with MPAEF, sponsored the MPCSD Helps initiative. MPCSD Helps grew from our generous community's immediate desire to support families struggling with food security due to the pandemic's economic fallout. It quickly expanded to include household items, clothing, baby items, books, games, and toys, and even furniture and bicycles. The MPCSD community donated continuously for sixteen months and supported hundreds of families in the process.

In total, MPCSD Helps raised \$138,192 from over 275 generous donors. Additionally, thousands of dollars worth of in-kind items and food were also donated.

We would like to thank the following district parents, community members and organizations that donated to the MPCSD Helps initiative via MPAEF through June 30, 2021.

# Spring 2021 Auction Fund-a-Need & Sponsors

## Supporting Our Students' Mental Health

During this past year's Online Auction in March 2021, MPAEF hosted a Fund-a-Need to raise \$50,000 to directly support programs and training so all MPCSD teachers and staff can help raise K-8 students' emotional intelligence and well-being. By including emotional intelligence education into our curriculum now, we are equipping students with lifelong skills that will help them succeed not just in elementary and middle school, but into their teens and adulthood. And in response, our generous MPAEF parent community delivered - donating \$94,980 (almost doubling our goal!). These funds will be used during the 2021-2022 school year for:

- All students will be trained in the emotional intelligence skills of self awareness, self-regulation and empathy for others;
- New, on-demand counseling services available for any MPCSD student or family, 24 hours a day, 7 days a week;
- Expanding the Social Emotional Learning (SEL) instructional programs at each school site including new Spanish translations; and
- Creation of a new student drop-in wellness center at Hillview Middle School.

Additionally, MPAEF received cash donations from district families to underwrite the cost of a small number of catalog items. The generosity of these families helped to ensure the success of the online auction, which raised over \$103K!

Please join MPAEF in thanking the many parents, grandparents, staff and extended community members listed below for their generosity towards this year's Fund-a-Need and/or as Auction Sponsors. (Note: A \* indicates the family donated to both Fund-a-Need and as an auction sponsor)

# MPAEF Endowment for Excellence in Teaching

## 2020-2021 Update & Donor Roll

### Overview:

The Menlo Park-Atherton Education Foundation's Endowment for Excellence in Teaching was established in 2002 as a permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development.

Endowment donations are a gift that keep on giving! As the Endowment grows, it becomes a stable source of long-term funding for the Foundation, easing annual financial pressures. This allows MPAEF to meet the needs of future generations for years to come, supporting our strong and vibrant community-funded schools.

The Endowment Investment Committee manages the investment asset portfolio with the pro-bono support of Cambridge Associates, a leading endowment investment management advisory organization. The committee members are current and former MPCSD parents, as are the representatives of Cambridge Associates serving the Endowment.

### Total Assets:

\$5,826,784 as of June 30, 2021.

### Contributions:

Between July 1, 2020 – June 30, 2021, the Foundation's Board of Directors raised contributions for the Endowment from parents and community members totaling \$31,169.

### Performance:

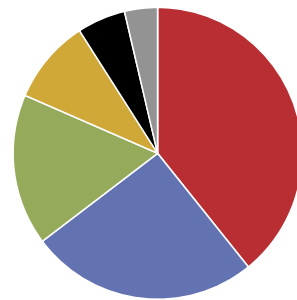

For FY2021 ending June 30, the Endowment Portfolio generated a return of 8.5%. This brought the annualized return since inception (in 2003) to 8.0%.

### Portfolio:

Since the primary management goal of the Endowment is to provide a stream of spending in support of MPAEF's mission, the long-term investment objectives are to preserve and enhance its purchasing power to attain a total return at least equal to the amount of any roll-off for the MPAEF's annual grant. Asset allocation is selected to minimize the risk of not meeting those objectives. The graph to the right shows our most current asset allocation.

In FY21, the Endowment Investment Committee, with the guidance of Cambridge Associates, integrated an Environmental, Social & Governance (ESG) / Diversity Scorecard analysis. Currently, 67% of the total endowment portfolio is invested with managers who are integrating ESG factors into their investment process.

### MPAEF ENDOWMENT ASSET ALLOCATION

- US Equity (39.2%)
- International Equity (25.5%)
- Fixed Income (16.8%)
- Emerging Markets (9.4%)
- Inflation Hedge (5.4%)
- Cash (3.7%)

## Endowment Donors 2020-2021

### Supporting Teacher Professional Development During the 2021-2022 School Year:

At the conclusion of the 2020-2021 school year, upon the request of Superintendent Erik Burmeister, the MPAEF Board of Directors approved a roll-off of \$150,000 from the Endowment which was granted to the Menlo Park City School District to fund teacher professional development activities during the 2021-2022 school year. These funds will be utilized to provide 300 MPCSD teachers and staff with professional development, training and additional collaboration time with colleagues, specifically focused on social and emotional learning, as well as continuing the work that began last year around anti-racism, diversity and inclusion. To kick-off the 2021-2022 school year, Dr. Bettina Love spoke to all MPCSD staff on the topics of the impact of mental health and returning to school, funded by MPAEF's Endowment for Excellence in Teaching.

We would like to thank the following donors who have generously given to the Foundation's Endowment for Excellence in Teaching during the 2020-2021 school year. Please note: An "\*" after the donor name indicates a tribute gift in honor of a district teacher, staff or student.

Did you know that a family's donation to the endowment can be made in honor of a teacher or staff member who made a difference in their student's life? Teachers have shared with us how meaningful it is for them to be honored in this way. Encinal teacher, Rachel Naishtut, received a tribute gift and said: "Two years ago, I was a recipient of an Endowment Tribute Gift. It was unexpected and an honor to be recognized by one of my families in this way. It means a great deal to know that this family thought of me as they contributed to the education of all MPCSD students."

# 2020-2021 In-Kind Donors

In-kind donations received by the Menlo Park-Atherton Education Foundation throughout the year are critical in keeping our organization's expenses to a minimum. These donations include items featured in the auction, giveaways at MPAEF events such as the Run, food and beverages served at Foundation functions, and so much more!

During the 2020-2021 school year, generous local businesses donated hundreds of items to the Foundation. Combined, these items had a fair market value of \$81,741. Without these donations, MPAEF would not be able to meet our grant goal. Please join us in thanking our in-kind donors!
