Investing in Excellent Schools
and a Strong Community

Continuing to Support our Community!

Dear MPAEF Community,

The Menlo Park-Atherton Education Foundation celebrated another year supporting our amazing community! We would like to thank the parents, Menlo Park City School District (MPCSD) leaders and staff, business partners, and community members who continue to be our partners supporting our incredible district. With your support, MPAEF was able to grant just over \$3.85 million to the district for the 2023-2024 school year!

The One Community Campaign (OCC) continued to thrive in its fourth year. Foundation leadership partnered hand-in-hand with our PTO colleagues to plan and execute a seamless campaign that generated critical funds for our district and for all of our individual schools. This partnership continues to produce amazing results, especially during an economic downturn, with 68% of district families participating. The OCC generated \$3.92 million overall, with \$570,000 going to our individual PTOs and \$3.35 million going toward the district grant. Each year, the OCC ensures that our children continue to receive an exceptional and well-rounded education.

Following last year's Auction success we held our event again at Hillview Middle School. It was a roaring success with over 300 people raising their paddles to support our schools, as well as online bidding the following week. The auction raised \$485,530, including \$157,080 for the Fund-a-Need supporting visual, performing, and industrial arts programs across all four schools. To finish off the school year we held another community favorite event: our Schoolhouse Rocks 5K Run & Festival! With over 1,500 participants running and enjoying the festival, it was the perfect capstone event to another successful year.

Our Community and Business teams continue to amaze us. We raised a record \$153,000 from our business partners and for the first time had both Platinum and Ruby level partners with Lane Partners and Keri Nicholas. We also hosted our second annual President Circle Luncheon, reuniting past MPAEF Presidents. Our goal continues to be how to learn from former board members for their expertise, and their ideas on how to get our greater community more involved.

We continue to have huge success with our Jeanie Ritchie Grant program. This year we reviewed proposals for 44 programs with \$45,000 in available funding. Some highlights were the *Bioluminescence and Phosphorescence: Glowing Animals* project and *Connecting the Body Systems with Comic Book Creations* project.

Finally, for the fifth year in a row, MPAEF has approved a roll-off of \$150,000 from the Endowment Excellence in Teaching - our permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development. MPCSD is currently planning professional development for 360+ teachers and staff for the 2023-2024 school year, which this year will focus on a new science curriculum rollout across the district. This year we also created a second Endowment, the Enrollment Impact Endowment, with funding from Stanford University and the City of Menlo Park. The earnings from this second fund will help offset the educational costs of the students residing in Stanford Middle Plaza development.

A special thank you to the hundreds of parent volunteers who helped to make all of this happen, including the MPAEF board of directors, the One Community Campaign team, the MPAEF Endowment Investment Committee, the Jeanie Ritchie Grant Committee, and the MPAEF office staff.

We are so thrilled to be part of this amazing community and group of proud parents, business leaders, and community members who believe that our kids deserve a high standard of education and one of the best school experiences possible. As Co-Presidents of the Menlo Park-Atherton Education Foundation and on behalf of our incredible kids, we want to thank you for all your support, time, and hard work.

Sincerely,

Krista Rosa and Suzanne Yonkers
MPAEF Co-Presidents 2022-2023

From our Superintendent

Dear MPCSD Community,

It is my distinct honor to write this letter for the MPAEF Annual Report as the MPCSD Superintendent. My entire career in education has been spent here in MPCSD, and while it was never my intention to become superintendent, I can truly say that when the time came I never felt more ready! When I think about what has prepared me to serve in the many roles from teacher to superintendent, it is absolutely the people and the on-the-job experience, but also the high quality professional development which I have received, thanks to the MPAEF. The support MPAEF provides to all our educators is one of the reasons I feel so well-prepared to lead this district and so confident in what we are able to accomplish as an organization. The relationship between our phenomenal district and the MPAEF's generous supporters is indeed special, but it is also critical to our success.

As I reflect on the 2022-23 school year, there are many things we are proud of. I am deeply grateful for the impressive grant that enabled us to invest in things like:

- Sustained efforts in social-emotional learning and support at every school that encourage all students to engage.
- Focused academic intervention in math and reading as well as excellent teachers and staff to ensure that all students achieve.
- Robust enrichment opportunities, specialist and elective programs, and campus activities that allow all students to thrive.

The MPAEF grant is an acknowledgement by our engaged community at every school - Encinal, Laurel, Oak Knoll, and Hillview - and the broader community of neighbors, grandparents, and businesses, that our excellent local schools are worth investing in. On behalf of the entire MPCSD staff and school board, we thank you.

With our strong partnership as a reliable pillar, together we can look forward to a bright future. We will lead by fostering a sense of belonging for everyone, a strength-based approach that elevates every student's possibilities, and academic precision that ensures world-ready success for every student, here in MPCSD and beyond.

With gratitude,

Kristen Gracia
Superintendent

Spring 2023 Auction Fund-a-Need and Sponsors

SUPPORTING VISUAL, PERFORMING, AND INDUSTRIAL ARTS IN MPCSD!

On March 18, 2023, MPAEF hosted the annual Spring Auction event – presented by Keri Nicholas, Parc Agency – at Hillview Middle School, which brought the entire MPCSD parent community together to celebrate. And through the Fund-a-Need that was hosted during the event dinner and the online auction that followed, our community raised \$157,080 to directly support robust visual, performing, and industrial arts learning opportunities for all students.

These funds will be used during the 2023-2024 school year to provide:

- New, high-quality electronic keyboards for each music teacher which provide more musical functionality, dynamics, and flexibility (easy to move around) for our children’s music program.
- Working kilns, slab rollers, and hands-on pottery materials for each elementary school campus to expand the art teachers’ abilities to teach pottery and ceramics at every school.
- Supplies for our K-8 drama, musical, and dance programs to update stage equipment, enhance the productions, support staff and volunteers, and ensure students shine their brightest when on stage.
- A new Grizzly Industrial 24” Thickness Planer will be purchased for the Hillview woodshop to allow students to creatively and safely explore industrial arts.

By providing our children with the tools and materials to experience visual, performing, and industrial arts throughout their elementary and middle school years we are helping to ensure all students have access to these programs and important experiences in the arts throughout their school years.

Additionally, MPAEF received cash donations from district families to underwrite the cost of the auction event and a few items included in the online auction. The generosity of these families in donating over \$18,700 helped to ensure the success of the event!

Please join MPAEF in thanking the many parents, grandparents, staff, and extended community members listed below for their generosity towards this year’s Fund-a-Need and/or as Auction Sponsors. (Note: A * indicates the family donated to both Fund-a-Need and as an auction sponsor)

MPAEF Endowment for Excellence in Teaching

2022-2023 UPDATE AND DONOR ROLL

Overview:

The Menlo Park-Atherton Education Foundation's Endowment for Excellence in Teaching was established in 2002 as a permanent, independent, and self-sustaining source of funding dedicated to fostering academic excellence through professional development.

Endowment donations are a gift that keeps on giving! As the Endowment grows it becomes a stable source of long-term funding for the Foundation, easing annual financial pressures. This allows MPAEF to meet the needs of future generations for years to come, supporting our strong and vibrant community-funded schools.

The Endowment Investment Committee manages the investment asset portfolio with the pro-bono support of Cambridge Associates, a leading endowment investment management advisory organization. The committee members are current and former MPCSD parents, as are the representatives of Cambridge Associates serving the Endowment.

Total Assets:

\$4,898,362 as of June 30, 2023.

Contributions:

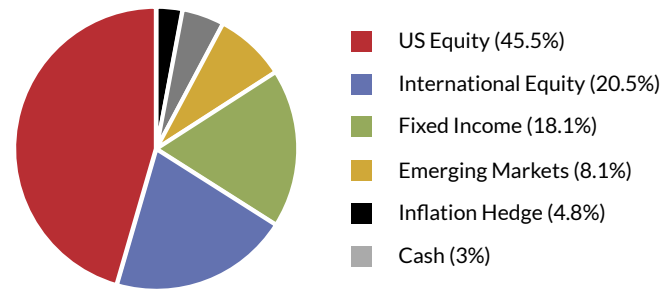

Between July 1, 2022 – June 30, 2023, the Foundation's Board of Directors raised contributions for the Endowment from parents and community members totaling \$49,847.

Performance:

For the fiscal year ending June 30, the Endowment Portfolio generated a return of -17.1%. This brought the annualized return since inception (in 2003) to 6.7%.

Portfolio:

Since the primary management goal of the Endowment is to provide a stream of spending in support of MPAEF's mission, the long-term investment objectives are to preserve and enhance its purchasing power to attain a total return at least equal to the amount of any roll-off for the MPAEF's annual grant. Asset allocation is selected to minimize the risk of not meeting those objectives. The graph shown here shows our most current asset allocation.

Supporting Teacher Professional Development During the 2022-2023 School Year:

At the conclusion of the 2021-2022 school year, upon the request of Superintendent Erik Burmeister, the MPAEF Board of Directors approved a roll-off of \$150,000 from the Endowment which was granted to the Menlo Park City School District to fund teacher professional development activities during the 2022-2023 school year. These funds will be utilized to provide 300 MPCSD teachers and staff with professional development, training and additional collaboration time with colleagues, with a continued focus on wellness and social emotional learning for students and staff as well as further implementation of "The Ruler" (an approach to managing emotions designed by the Yale Center for Intelligence). Additionally, professional development focused on Multi-Tiered Systems of Support, which assists teachers and students in addressing unfinished learning.

Spring 2023 Schoolhouse Rocks 5K Run & Festival

THANKS TO YOU, WE ROCKED THIS EVENT!

Thank you to the 1,500+ runners, walkers, and festival-goers who participated in MPAEF's annual Schoolhouse Rocks 5K Run & Festival - presented by Parkline - which took place on Sunday May 21, 2023 at Hillview Middle School. This beloved end-of-school year tradition brings the entire community together and is another example of how MPAEF raises funds to support our schools.

The Schoolhouse Rocks 5K Run & Festival is a fun event for the many participants and it could not happen without the dedicated volunteers who assisted at packet pick-up, as a course monitor, and general festival support. Additionally we had a record number of Run Family Sponsors this year whose generous donations helped to underwrite the cost of the event - ensuring more funds are included in the grant given to MPSD.

Maximize Your Impact!

Did you know that last year MPAEF and our schools' PTOs received over \$602,000 via matching gifts/workplace giving to the One Community Campaign? This represented 11% of our total fundraising in 2022-2023. Many Bay Area employers are willing to support the causes that are important to you so don't forget to take advantage of your company's workplace giving program.

2022-2023 In-Kind Donors

In-kind donations received by the MPAEF throughout the year are critical in keeping our organization's expenses to a minimum. These donations include items featured in the auction, giveaways at MPAEF events such as the Schoolhouse Rocks 5K Run & Festival, food and beverages served at MPAEF functions, and so much more!

During the 2022-2023 school year generous local businesses donated hundreds of items to the MPAEF. Combined, these items had a fair market value of \$193,359. Without these donations, MPAEF would not be able to meet our grant goal. Please join us in thanking our in-kind donors!
